About Us:

Josh's Record Conversion specializes in making sure that your precious vinyls are preserved for years to come. Here at JRC, we use precise turntables and mixers to give your records a sound that can be enjoyed by anyone. Your records are safely handled in the JRC and then returned back to you with the time frame of approximately 1 - 2 weeks depending on business conditions. Your tracks are mixed for stereo quality on our quality mixing consoles and (With CD order) fine tuned digitally for optimum quality. We also offer for the price of the cassette conversion, Digital Audio to Cassette.
